

HEALTH & SAFETY POLICY

The Management of Aqua Mirage Club Marrakech established a policy to organize a safe, healthy and well-being work environment where employees, guests and suppliers can operate their activities. To achieve this process, we are committed to:

Comply with the provisions of the Law and health and safety regulations.

Get the involvement of all staff in the implementation of measures for the prevention of accidents and professional diseases. Develop their abilities in order to work safely.

Ensure that all employees are competent and trained in their work to take very seriously their responsibility to keep our customers safe.

Check daily health and safety risks regarding our activities to make for our employees working conditions safer and healthier.

Organize regular safety checks for the evacuation plans, fire equipment, alarm systems, procedures and emergency response.

Take health and safety very seriously by providing information and instructions to all employees under the supervision of department heads.

Support all employees regarding their health and safety management. Organize regular visits to the doctor and mandate tests by the Human Resources department.

Give a medical insurance to the employees to help them in the management of their health.

Apply strictly rules about smoking facilities for employees.

We explained and communicated our policy to the whole team.
